### **SUPPLEMENTAL EXAMINER'S AMENDMENT**

The letter (Statement of the Substance of an Interview and other Miscellaneous information) filed on March 8, 2007 is being considered filed under 37 CFR 1.312 and has been entered.

The Examiner notes that the amendment to claim 34 filed on March 8, 2007 falls within the guidelines of 37 CFR 1.312.

In the Examiner's Amendment on page 4 of the Notice of Allowability mailed on February 27, 2007, the Examiner made lines 22-24 of claim 34 (page 4) to read as follows:

--wherein a quantity of the substitute item to be substituted for a quantity of the identified ordered item is not one for one, and is dependent on applying the ratio rule to the quantity of the identified ordered item, --.

The Examiner's Amendment unintentionally copied the wrong recitation of the claim that needed to be amended. Therefore in claim 34, lines 22-24 should read as follows:

--wherein a quantity of the alternate merchandise to be substituted for a quantity of the ordered merchandise that has been identified as being oversold, is not one for one, and is dependent on applying the ratio rule to the quantity of the identified ordered merchandise,-- .
